**DISCIPLESHIP THOUGHT FROM WORDS**

**FOR WORSHIP.** In the book of Colossians, Paul writes to the saints and faithful in Christ in Colossae. In our hyper-connected world, one of the things we might miss is the type of thoughtful correspondence that takes time to compose, send, and be received. As Paul encourages the Colossians, so should we be ready to uplift our partners in ministry—in our own faith communities, in our cities, and across the one holy and apostolic church of which we are a part. And further, we should let them know that we appreciate the work they are doing. This is also a reminder to keep praying for one another, that we may walk uprightly, grow in our understanding of God, and have endurance to withstand the troubles of life.

**PRAYER REQUESTS AND QUESTIONS**

If you have any questions you would like answered or a prayer request, please place them in the box at the side door. These can be anonymous.. For specific personal prayers, authorisation is required from the person involved. For Janet Bruce, for Lance Jackson. For Ingrid Carter the School Chaplain.. For those recovering from the floods, those in war torn and earth quake areas of our world for those affected by cyclones, fires and other devastating situations... For the future of our church. For the Government and Council. For the homeless and hungry, sick, lonely, grieving and those struggling with the cost of living. . Give thanks for prayers answered.

**BIBLE STUDY** at the manse studying the Gospel of Luke. Wednesday's 1pm. Everyone welcome
