## **DISCIPLESHIP THOUGHT**

Abram's journey in Genesis 12 is a response to God's guidance becomes a pilgrimage of blessings. The unnamed destination of his pilgrimage is encountering people and their land. Abram will become a kind of "platform" of blessings among other peoples and nations, rather than an exemplar of the exercise of power and control over those peoples and their land. As God commissioned Abram to go forth as a source of blessings, God calls us to go in the pilgrimage of blessings.
